RESIDENCY SPOTLIGHT: RIVERSIDE FAMILY MEDICINE RESIDENCY

Joy N. Elliott, D.O.

Director

Osteopathic Residency

- Founded in 1971, Riverside Family Medicine Residency is one of the oldest family medicine programs in the country. [Click here to find it on Mapquest.](#)
- Riverside's emphasis on information technology provides high quality care for the patients and the greatest access to evidenced-based knowledge for the residents.
- Twelve Family Medicine residents per year.
- Eleven Family Medicine faculty members, with three holding CAQs in OB or sports medicine. One is Director of Medical Informatics for the Health System.
- Live Electronic Medical Records since 1997, with access from hospital, home, and wireless office.
- Internet access throughout office and hospital.
- PDA interface in the hospital allows uploading of patient lists and clinical information.
- Onsite behaviorist.
- Developer of Comp-E-Val, the web-based, competency-based Family Medicine evaluation tool, now provided by the American Board of Family Medicine.
- Sport Medicine affiliations with The College of William & Mary and Christopher Newport University.

Newport News Information

- [The Downing-Gross Cultural Arts Center](#) houses the Ella Fitzgerald Theater, a 276-seat venue that honors the “First Lady of Song,” who was born in Newport News in 1917. Originally built as the Walter Reed School, this historic building has been restored and reopened to the public in October, 2008.

Options for things to do in Newport News

- The [Mariners' Museum](#) offers a captivating look at centuries of seafaring adventures from around the world. The dramatic USS *Monitor* Center brings to life the “Battle of the Ironclads,” and offers visitors the chance to walk the deck of a full-scale *Monitor* replica.
- The [Virginia Living Museum](#) allows you to explore the underwater world of the Chesapeake Bay and the underground realm of a limestone cave. Enjoy hands-on activities and observatory. Travel the universe in the state-of-the-art digital planetarium theater. Touch live spider crabs and fossilized dinosaur tracks. See fish with no eyes and frogs that change colors.

School News

Other Options for You

- The [Virginia War Museum](#) showcases American military history. Outstanding collections of personal artifacts, weapons, vehicles, uniforms, posters, and much more trace the development of the U.S. military from 1775 through the present. See a section of the Berlin Wall and a portion of the outer wall from the Dachau Concentration Camp. Galleries include *Women at War* and *Marches Toward Freedom*, exploring the roles of women and African Americans in the military.
