South Bend, IN

Welcome to the A-OPTICgram! Please join me in welcoming Max Helman, DO, FACOFP, *dist.* as the new Osteopathic Director of Medical Education and Program Director at St. Joseph Family Medicine Residency in South Bend, IN.

St. Joseph is a dual-accredited program, AOA and ACGME. St. Joseph residents are eligible to take both the AOA and ACGME certifying examination, thereby qualifying them for leadership positions within AOA accredited educational institutions: Dean, Program Director, etc.

Administrative Contact: Maria Burns, burnsmt@sjrmc.com

Program Website: <http://www.saintjosephresidency.com/>

Search for St. Joseph on AOA Opportunities Page:

Things to do around South Bend

Potato Creek State Park is about 12 miles southwest of South Bend. It has a variety of natural habitats, 327 acre Worster Lake, mature woodlands, bike and hiking trails, restored prairies, and diverse wetlands.

University of Notre Dame in South Bend, IN

Fall Saturdays bring Notre Dame football. One of the storied programs in college sports, the Fighting Irish still look to wake up the echoes.

St. Joseph's close proximity to the University of Notre Dame offers a range of career opportunities for spouses and significant others.
